

Nordic Plow

Exclusive to David Golf & David Turf

GOLF COURSES - STADIUMS - PARKS & RECREATION - SPORTS FIELDS

Core Collector Plow

CODE: NP-TPC648

The Nordic Plow Core Collector System allows you to remove aerated core plugs faster, cleaner and safer than ever before!

- The Nordic Plow Core Collector comes with 64" blade section, 2 sand bags, end caps with support arms and extended side fins - all pre-assembled. Simply attach 6 bolts and you're ready to use.

Greens Master Plow

Save time by attaching the Greens master unit to your fleet of mowers.

- The Greens Master unit is for walk behind mowers and comes pre-assembled. Simply attach to your clipping basket posts or its axle - tighten the clamp and you're ready to use.
- The unit attaches to your Toro Greensmaster 1000 and Flex.

CODE: NP-TGM

The Perfect Shovel - 36" Wide

It is so unique that it's been dubbed the 'Perfect Shovel'.

- It has an adjustable handle with handle grips.
- It has either a rounded or sharp edge.
- It has 3 adjustable angles - straight, 5 degree or 10 degree.

CODE: NP-PS36
